

JIHO KWAK

23218kjh (at) snu.ac.kr
1 Gwanak-ro, Gwanak-gu, Seoul, South Korea

RESEARCH INTERESTS

Spatial Statistics, Spatio-Temporal Analysis, Causal Inference, Population Geography

EDUCATION

Seoul National University 2020 – 2026
B.A. in Geography, B.Sc. in Statistics (Double Major) Seoul, KR

- GPA: 4.19/4.30, Credit: 124/130
- Related Coursework: Mathematical Statistics, Regression Analysis and Lab, Spatial Analysis and Geography Education, Data Analysis and Lab, Spatial Analytics III

Seoul Global High School 2017 – 2020
Seoul, KR

EXPERIENCE

Research Internship, Max Planck Institute for Demographic Research Aug 2024 – Feb 2025
Supervisor: Jisu Kim Rostock, DE

- Department of Digital and Computational Demography, Laboratory of Migration and Mobility
- 2024 Cohort of Korea-Germany Junior Research Fellowship Program
- Provided the Lab Talk on Feb 19, 2025

Internship, Graduate School of Data Science, Seoul National University Dec 2023 – Feb 2024
Supervisor: Sanghack Lee Seoul, KR

- Participant of the Google ExploreCSR Program
- Studied causal inference with the members of the Causality Lab

PUBLICATIONS

1. J. Kwak, M. Kang, M. Kim, J. Lim. Parking Facility Location Optimization in Gangnam-gu based on Illegal Parking Data. *Campus Impact 2021*, 2022.

PROJECTS

1. J. Kwak, I. Song. Assessing the Population Effects of Public Institution Relocation through Spatial Causal Inference, 2025. (Social Sciences Research Grant for Undergraduate Students)
2. J. Kwak, B. Kang, S-I. Lee. Effects of the MAUP on Regression Analysis Under Different Levels of Spatial Autocorrelation and Cross Correlation, 2025. (Undergraduate Independent Research)
3. J. Kwak, S-I. Lee. Analyzing the Spatial Heterogeneity of Fertility Determinants Using Similarity Geographically Weighted Regression (SGWR). 2025. (Working Paper)
4. J. Kwak, J. Kim, E. Kotov, T. Theile. Analyzing Country-Level Heterogeneity in Public Attitudes Toward Migration Topics on Bluesky. *11th International Conference of Computational Social Science*, 2025. (Accepted for Poster Presentation; Working Paper)

SKILLS

Programming Languages and Frameworks

R, Python, L^AT_EX, Excel, ArcGIS

Languages

Korean (native), English (professional), Chinese (elementary)

SCHOLARSHIPS

Social Sciences Research Grant for Undergraduate Students

2025

College of Social Sciences, Seoul National University

Korea-Germany Junior Research Fellowship Program

2024

Max Planck POSTECH/Korea Research Initiative

Work-Study Scholarship

2023, 2025

Institute of Social Sciences, Seoul National University

Scholarship for Academic Excellence

2023, 2025

Seoul National University

Yook Jisu, Lee Kwanghee Scholarship for Geography Student

2020

Department of Geography, Seoul National University

AWARDS

Distinguished Paper, Undergraduate Independent Research 2025

Feb 2026

SNU Liberal Education Center

2nd Place, Multidisciplinary Major Essay Contest

Mar 2025

SNU Academic Advising Center

3rd Place, 40th SNU Student Paper Competition

Sep 2024

SNU Liberal Education Center

MISCELLANEOUS

English Interpreter, 2nd Operational Command, ROK Army

May 2021 – Nov 2022

- Participated in three combined trainings with the US Army
- Personnel Department squad leader
